Vision

To strive to become a prominent academic institution of higher education recognized for its quality research and commitment for offering students affordable education, comprehensive knowledge and skills base, value education, empathetic and socially responsible attitude and lifelong learning temperament so that they can become compassionate and proactive individuals with fullest potential.

Mission

- To be a student centric institute inculcating inquisitive, innovative and lifelong learning attitude.
- To create a democratic academic atmosphere.
- To offer courses to the students for enhancing professionalism, humanism and social sensibility through quality education.
- To inculcate values of discipline, hard-work, team-spirit, scientific temper and to develop responsible citizens.
- To endeavor to broaden the intellectual and creative capability of the young and energetic minds.
- To provide life skills for a successful career, family and society.
- To provide equal opportunities to every section of society.

Objectives

- To educate the students in the faculty of Humanities according to the university's curriculum.
- To maintain high educational standards through the dedicated efforts of the organization for the all-round development of the students
- To nurture the academic talent of the students within a disciplined institutional environment.

The college focuses towards achieving its vision by systematic development on the following lines:

- To open new subjects like Drawing-painting, History, Economics, Home Science at graduation level creating better flexibility option to students.
- To increase the enrolment of students belonging to all the categories.
- To increase the participation of students in the college activities for access of quality education.
- To open PG programmes in some subjects.
- To make students digitally sound.
- To provide teaching and study material in offline and online modes incorporating modern ICT tools.
- To inculcate the understanding and practice of research activities among students through field/survey/community interaction-based assignment/internship and research projects related to issues for uplifting the society.
- To strengthen the college incubation center through linking with various agencies and experts for providing time to time training for developing a sense of entrepreneurship in students.
- To start skill development / vocational courses incorporating hands on training for benefit of students focusing on their interest and need.
- To start short-term value-added courses for enriching the knowledge spectrum of students.
- Construction of conference room and Computer Lab.
- To develop lecture recording room.
- To convert all the classrooms into smart classroom.
- To strengthen the library with journals and reference books.
- Construction of Library and reading room, stage for cultural programs, beautification of campus and badminton / Volley ball court.
